

# WESTERVILLE CELEBRATES *America 250!*

## HOW CAN YOU HELP CELEBRATE WESTERVILLE?

## Become a Sponsor

By becoming a sponsor, you can help lift up the under-told stories of Westerville's citizens, businesses and more.

## ABOUT THE PROJECT

The America 250 Westerville Committee is highlighting the under-told history of the Westerville community with a plan to install twelve temporary murals representing those stories. Westerville residents are familiar with our Anti-Saloon League history and the narratives of the Underground Railroad, but we want them to look beyond those subjects to other parts of our history. We are building on the monthly themes adopted by America250 Ohio. This project is funded in part by the America250 Ohio Commission.
