## **FEBRUARY 2026 LIVE MUSIC SCHEDULE**

**FRIDAYS:** (7-10:00 PM)

– ACOUSTIC OPEN MIC! Very eclectic and very good. Considered one of the best around!

**SATURDAYS:** (7-9:30 PM)

**FEB. 1 (Sunday, 3-5:00 PM)** – LIL' RED and the ROOSTER – *Award-winning Blues from France and Westerville*

Upbeat classic and original blues and jazz – from the heart! Jennifer Milligan is a wonderful vocalist and songwriter and is originally from Westerville; Pascal Fouquet is one of France's top blues guitarists. A favorite at Buddy Guy's *Legends* club in Chicago and *past winner of both the Columbus and Cincinnati Blues Challenges*. Warm up with some hot BLUES

**FEB. 7 – THE RAMBLERS – *Divieland and New Orleans Jazz – trumpet/banjo/bass and vocals***

MILO MANNINO on trumpet/flugelhorn; DAVID WEIBLE on banjo; SID TOWNSEND on bass. Upbeat and fun, the Ramblers are keeping New Orleans jazz traditions alive with fresh and fun interpretations of music from the 1920s & 30s, and much more

**FEB. 14 – THE MEEK QUARTET – Valentine's Day Show - “Love is in the Air”**

(MEEK = not their attitude, but last name initials!) is a fun and very talented four-part vocal harmony group: Dan and Pat Epley, Tom Kaelber and Rob Montgomery.

MEEK plays very eclectic music – from pop to country, gospel and even cowboy songs! But this will be a special VALENTINES show – with sing-along, decorations, trivia – and lots of fun! The group will donate all of their proceeds from this show to St. Jude's Research Hospital.

**FEB. 21 – Jazz (and more)with MILO and CHERIE MANNINO and Paul Strawser**

Trumpeter and big band leader Milo and vocalist Cherie are from New Orleans, with that great music style, and here with marvelous pianist Paul Strawser. They are back to wow us with their great jazz interpretations and more: from classic jazz standards, to swinging dance tunes to blues and popular favorites. Great music, great people, great show.

**FEB. 28 – KEN PARSONS – Eclectic singer/songwriter from Coshocton with singer and fingerstyle guitarist BOB MAY**

Ken plays all over Ohio and is a favorite at JC. He has wowed us on other Sat. shows and at our open mic with his vocals, excellent musicianship and his surprisgly eclectic repertoire – Gershwin and Kermit The Frog to John Prine and Pink Floyd! Plus awesome originals. BOB MAY is an excellent singer/guitarist and will open and partner with Ken on several songs.
